

HOLIDAY TOY DRIVE

Dear Family, Friends and Supporters of the Holiday Toy Drive,

Words cannot express how thankful we are for your generous donations to the Aflac Cancer & Blood Disorders Center. The 2014 Holiday Toy Drive was a great success because of your thoughtful and kindhearted gifts. We collected over 300 toys, puzzles, games, arts & crafts, and DVD's for the Aflac Center! The center has been able to use your donations in so many ways: during the holidays, after difficult procedures, for newly diagnosed kids being admitted, birthdays and many more. Even after the holidays, our cabinets are stocked for months to come! They are going to be able to use many of the items to improve the playroom and provide much needed entertainment for the kids that stay for extended periods of time. I wish we could capture their smiles for you, so that you could see the joy that these gifts bring in such difficult times. They truly erase their tears. I am sure these children will have much comfort and joy along this journey because of your generosity.

Thank you for making a difference!

With heartfelt gratitude,

Jennifer Zakhireh
